Problem Statement

It is often a hassle for students writing research papers to find useful and relevant educational resources, especially when they face a mind block in the midst of writing.

Dewey!

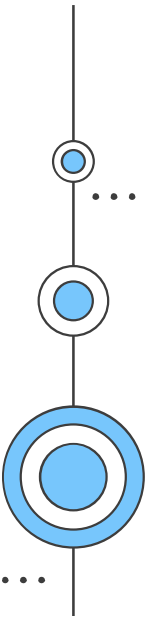

A decorative network diagram consisting of several blue circular nodes connected by thin black lines. The nodes are arranged in a non-linear fashion, with some having multiple connections. Some nodes are larger than others, and some have concentric circles. Ellipses (...) are used to indicate that the network continues beyond the visible nodes.
